

UNMANNED AERIAL SYSTEMS

One TMK is a digital exchange that gives you, as brokers, fast access to our specialist insurance products direct from your desk. The fully automated process enables you to quote and bind business online in real time, 24 hours a day, 7 days a week.

Our UAS insurance offers worldwide, comprehensive and competitively priced coverage for companies operating UAS for commercial purposes. The product is available on our One TMK digital platform where system-generated documentation cuts your administrative burden significantly. All risks are 100% underwritten by Tokio Marine Kiln.

Our offering sets itself apart from the competition through a market-leading claims service and an unrivalled level of cover. We have carefully adapted this over time to cater for the perils facing UAS operators, and presented it in a clear easy-to-follow format.
